Dr. Charles H. Reichardt  
Director of Intelligence  
U. S. Atomic Energy Commission  
Washington, D. C.

Dear Chuck:

I have your letter of November 19 requesting a briefing on Soviet developments in nuclear space power and propulsion activities by CIA for Monday, the 20th of December.

We will be happy to arrange such a presentation, and [ ] has been designated to give the briefing. You should contact him if there is any change in the schedule. Otherwise, he will be prepared to address this group at 1:30 p.m. on the 20th.

I would hope that Jack, and perhaps one or two others, might be invited to attend the entire symposium, as it looks like one which could be very helpful to our work here.

Sincerely yours,

Albert D. Wheelon  
Deputy Director
